

Raising public awareness of mediation is one of the missions of MANO. Since conflict is a natural part of everyday life, just about any forum is appropriate for talking about conflict resolution and mediation. Please help MANO further its goal of public awareness by identifying as many groups or organizations as possible that may be interested in having a speaker. Speakers will typically present for up to one hour, though longer or shorter presentations can be arranged. They can speak about mediation in general, or may tailor the presentation to meet the specific needs and interests of the group or organization. Speakers will typically speak in Northeast Ohio, but may be willing to travel to other areas as needed.

Because MANO is a not-for-profit, tax exempt organization, no fees are required for the speaker, though donations to benefit MANO are gladly welcomed. If you have questions, please email speakersbureau@manomediate.org or contact Jenn Lanz 216-645-9604 or Matt Mennes at 216-644-5201. Please complete and return this form to speakersbureau@manomediate.org.

Please complete a separate form for each prospective group or organization.
