

MANO BOARD MEETING NOVEMBER 17, 2007

Members present were Jerry Leeds, David Waldorf, Wendy Hawbaker, Harrold Spicknall, Beverly Briggs.

We first reviewed the attendance at the general membership meeting which date had been changed from Wed 11/14 to Mon 11/12. We decided to keep the originally announced dates. Next meeting is January 16, 2008....place to be held. Subject will be a focus topic followed by discussion---possibly DR. The March 19, 2008 meeting will be a topic of general interest civil. Post cards will be sent around 1/2/08 announcing the meeting.

Next we discussed the Community Outreach Committee....Wendy and Bob will continue working on members, chairperson, etc...maybe the old speakers bureau type of outreach; will peruse members applications for their interests.

The Annual Conference will be a training by Barbara Ashley-Phillips on April 25, 2008. Jerry's committee will secure the Embassy Suites, the budget, the preliminary notices and the speaker's particular. This committee will meet to carry on before the next Board meeting.

The Peacemaker awards event has been studied and the Outreach Committee should be in charge of this event. Time commitment and members willing to participate, work on this event will have to be identified. Possibly something could be done during conflict management week.

We need to establish a Membership Committee, the Board cannot do everything on our event agenda.

David Waldorf will present the final annual conference accounting to us by e-mail, soon.

We have set the next Board meeting for Saturday, December 15, 2007 at 9:00 a.m. probably at the cafe in Giant Eagle close to Jerry's home; however, it might just be by e-mail if many of us have other commitments. Meeting adjourned at 10:15 A.M.

Respectfully submitted, Beverly Briggs
